

CANTURK ISCI

Princeton University, Department of Electrical Engineering, Princeton, NJ, 08540
(EMAIL) canturk@princeton.edu • (PHONE) (609-468-7744)

RESEARCH

Power aware computer architecture, microprocessor power and thermal modeling and measurement, application power behavior characterization

EDUCATION

- | | |
|--------------|---|
| 2001-present | <i>Princeton University, Princeton, NJ</i>
Ph.D. Electrical Engineering • Advised by Prof Margaret Martonosi |
| 2000 - 2001 | <i>University of Westminster, London, UK</i>
M.Sc. VLSI System Design
• Thesis advised by Prof Izzet Kale & Prof R.C.S. Morling |
| 1996 - 2000 | <i>Bilkent University, Ankara, Turkey</i>
B.S. Electrical and Electronics Engineering |

EXPERIENCE

- | | |
|--------------|---|
| 2001-present | <i>Princeton University, Department of Electrical Engineering</i>
Research Assistant in Parapet Research Group |
| Summer 1999 | <i>ASELSAN Electronics, Ankara, Turkey</i>
Intern in Electronic Design Department |
| Summer 1999 | <i>Bilkent University, Electronics Engineering Department</i>
Intern in DSP programming for wireless communication project |
| Summer 1998 | <i>Arçelik Corp., IT Group, İzmir</i>
Intern in system administration |

HONORS

- | | |
|-------------|---|
| 2001 - 2002 | <i>Graduate Fellowship</i> , Department of Electrical Engineering, Princeton University |
| 2001 | <i>M.Sc. with Distinction</i> , University of Westminster, Department of Electronic Systems |
| 2000 - 2001 | <i>Millennium Scholarship</i> , British Council |
| 1996 - 2000 | <i>Undergraduate Fellowship</i> , Bilkent University |
